

Forget one detail of your girls' face? Never...
(That's what you hope)

KODAK
SAFETY FILM
KODAK SAFETY FILM

By the Kodak Snapshot you can keep the most precious memories of your life. The Kodak Snapshot is the only one that will preserve your picture. It is the only one that is so easy to take. It is the only one that is so easy to carry. It is the only one that is so easy to use. It is the only one that is so easy to develop. It is the only one that is so easy to print. It is the only one that is so easy to share. It is the only one that is so easy to keep. It is the only one that is so easy to love. It is the only one that is so easy to live with. It is the only one that is so easy to be happy with. It is the only one that is so easy to be proud of. It is the only one that is so easy to be grateful for. It is the only one that is so easy to be thankful for. It is the only one that is so easy to be happy with. It is the only one that is so easy to be proud of. It is the only one that is so easy to be grateful for. It is the only one that is so easy to be thankful for.

The snapshots you'll want

THE ADVANCE OF
ENGLISH POETRY
IN THE
TWENTIETH CENTURY
WILLIAM LYON PHELPS

APART from the natural and inevitable advance in poetry that every year witnesses, we are living in an age characterized both in England and in America by a remarkable advance in poetry as a vital influence. Earth's oldest inhabitants probably cannot remember a time when there were so many poets in activity, when so many books of poems were not only read, but bought and sold, when poets were held in such high esteem, when so much was written and published about poetry, when the mere forms of verse were the theme of such hot debate."

WILLIAM LYON PHELPS
